Types of holiday

There are many kinds of holiday. A **beach holiday**: swimming, sunbathing, building sandcastles. A **mountain holiday**: hiking, climbing, skiing in winter. A **city break**: visiting museums, monuments and markets. A **camping trip**: sleeping in a tent and cooking outdoors. A **visit to family** in the village.

En castellano: *holiday* son las vacaciones (en inglés americano, *vacation*). *Trip* es un viaje corto o una excursión, y *journey*, el trayecto de un sitio a otro.

Transport: how did you travel?

We say how we travel with by + transport: **by car**, **by plane**, **by train**, **by bus** (or **by coach** for long trips), **by boat** or **by ferry**, **by bike**. But we say **on foot** (a pie)!

«How did you travel?» «We travelled **by train**. It was faster than the car.» «We went to Mallorca **by ferry**.» Verbs: we **get on** a train or a plane (subir) and **get off** (bajar). We **take** a taxi and **catch** a bus. **Ojo:** no decimos «by the car».

by plane	en avión
by train	en tren
by ferry	en barco
by car	en coche
on foot	a pie (no «by foot»)

campsite	camping
youth hostel	albergue

Packing your suitcase

Before a trip we pack our **suitcase** (maleta) or **backpack** (mochila). What do you need? **Clothes:** T-shirts, shorts, a jumper, a raincoat, a swimsuit, trainers, a cap. **Other things:** a toothbrush, sun cream, sunglasses, a towel, a camera, a map, a charger.

For international trips you need a **passport** or an **ID card** and a **ticket**. «Don't forget your passport!» «Have you got the tickets?» «I need to pack my sun cream.» **Consejo:** haz una lista para no olvidar nada.

The weather changes our holiday plans. Remember the adjectives: **sunny**, **cloudy**, **rainy**, **windy**, **snowy**, **foggy**, **stormy**; and temperatures: **hot**, **warm**, **cool**, **cold**, **freezing**.

To talk about past holidays we use **was**: «It **was** sunny and hot every day.» «On Tuesday it **was** stormy, so we **stayed** in the hotel.» To ask: «**What was the weather like?**» (¿Qué tiempo hizo?) «It **was** windy but warm.»

It was sunny.	Hizo sol.
It was rainy.	Llovió.
It was windy.	Hizo viento.
It was freezing!	¡Hizo un frío helador!
