Explicación

1. My clothes

We wear clothes every day.

This is a **T-shirt**. These are **trousers**. These are **shoes**.

Clothes keep us warm and clean. What are you wearing today?

2. Skirt, dress and socks

More clothes: a skirt, a dress and socks.

Anybody can wear any clothes. Wear what you like and what is comfortable.

Socks go on our feet, inside our shoes. One sock, two socks!

3. Coat, hat and scarf

When it is cold, we wear a coat, a hat and a scarf.

We can also wear **gloves** on our hands and **boots** on our feet.

Brrr! Winter clothes keep us warm.

4. I'm wearing...

To say what clothes we have on, we say I'm wearing...

I'm wearing a red T-shirt. I'm wearing blue trousers.

Remember: the colour goes before the clothes. Look at your clothes and say what you are wearing!

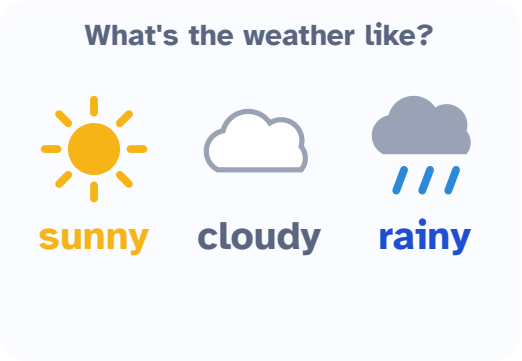

5. The weather

The weather changes every day.

Today it can be **sunny**, **cloudy** or **rainy**.

To ask, we say: **What's the weather like?** We answer: **It's sunny!**

6. Windy and snowy

More weather words: windy and snowy.

When it's **windy**, the trees move and kites fly high.

When it's **snowy**, everything is white. We can make a snowman! And with a storm, there is **thunder**.

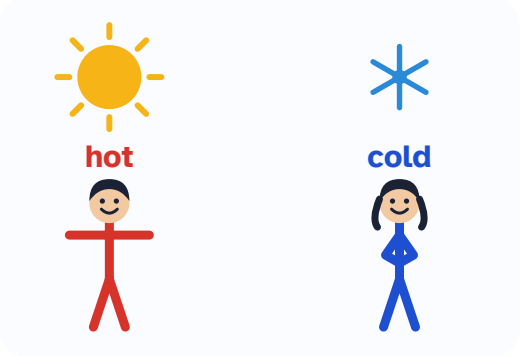

7. Hot and cold

In summer it is hot. In winter it is cold.

When it's hot, we say **I'm hot!** and drink water.

When it's cold, we say **I'm cold!** and put on a coat. How do you feel today?

8. Clothes for the weather

We choose clothes for the weather.

It's **sunny**: I wear a T-shirt, shorts and a cap.

It's **rainy**: I wear a raincoat and boots, and I take an **umbrella**. It's **cold**: I wear a coat, a hat and a scarf.

9. The seasons

There are four seasons: **spring**, **summer**, **autumn** and **winter**.

In spring there are flowers. In summer it's hot. In autumn the leaves fall. In winter it's cold.

What's your favourite season?

10. Put on, take off

When we get dressed, we put on our clothes. **Put on your coat!**

When it's hot, we take off our jumper. **Take off your hat!**

Can you put on your shoes by yourself? Great!

11. Game: dress the bear

Play dress the bear. Draw a big bear on paper.

Roll a dice. Look at the weather card: sunny, rainy or snowy.

Choose clothes for your bear and say: **It's rainy. The bear is wearing a raincoat and boots!**

12. Review: clothes and weather

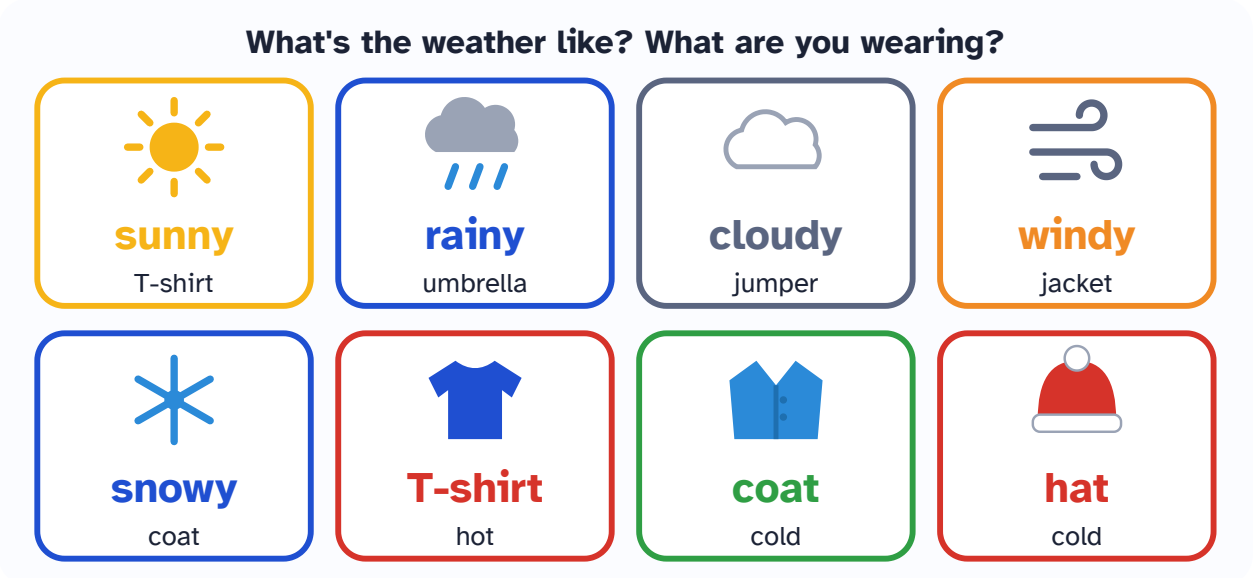

Now you know clothes: T-shirt, trousers, skirt, dress, shoes, coat and hat.

You know the weather: sunny, cloudy, rainy, windy and snowy.

You can say **I'm wearing...** and **What's the weather like?** Brilliant!
