Explicación

1. Hello! Hi!

When we meet someone, we say Hello!

We can also say Hi! It is short and friendly.

Say hello to your teacher. Say hi to your friends. Wave your hand and smile!

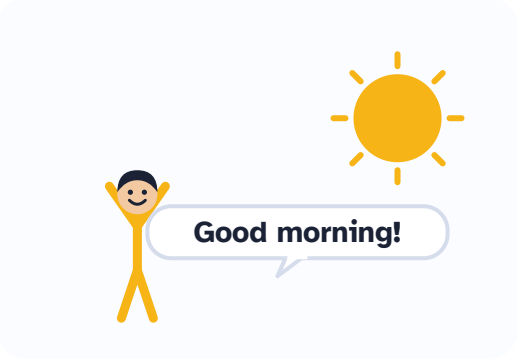

2. Good morning!

In the morning we say Good morning!

The sun is up. We get up and go to school.

When you arrive at school, say: **Good morning, teacher!** Your teacher says: **Good morning, children!**

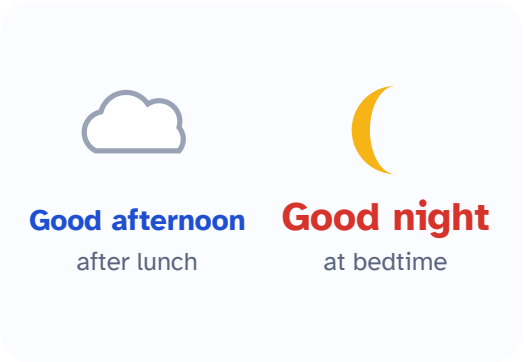

3. Good afternoon and good night

After lunch we say Good afternoon!

At bedtime we say Good night! The moon and the stars are in the sky.

Say good night to your family. Then close your eyes and sleep.

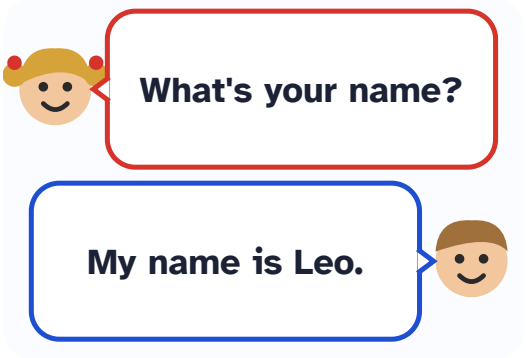

4. What's your name?

To know a name, we ask: What's your name?

We answer: My name is... and say our name.

For example: **My name is Lucía.** We can also say **I'm Lucía.** Ask three friends their names!

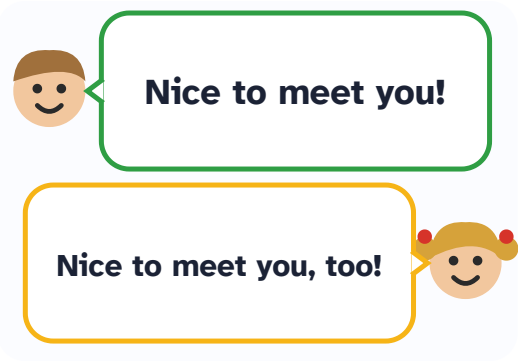

5. Nice to meet you!

When we meet a new friend, we say Nice to meet you!

The friend answers: **Nice to meet you, too!**

We can shake hands or give a high five. It is a happy way to start a friendship.

6. How are you?

To ask about feelings, we say How are you?

We can answer: **I'm fine, thank you!** or **I'm happy!**

If we are not well, we say **I'm sad** or **I'm tired**. It's OK to say how you feel.

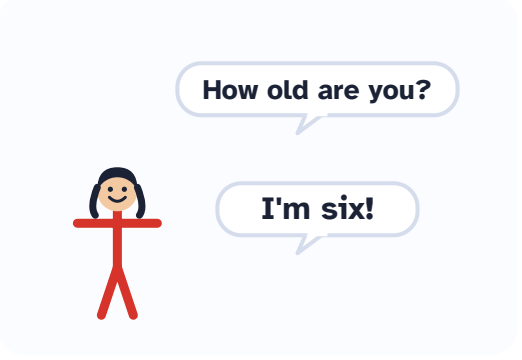

7. How old are you?

To ask about age, we say How old are you?

We answer with a number: **I'm six.** or **I'm seven.**

Show the number with your fingers. Six is five fingers and one more!

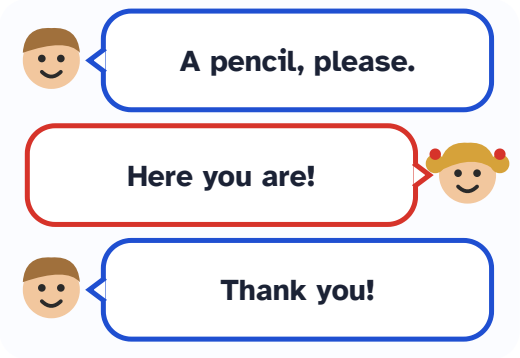

8. Please and thank you

Kind words are magic words.

When we ask for something, we say **please**. When someone gives us something, we say **thank you**.

The answer to thank you is **You're welcome!**

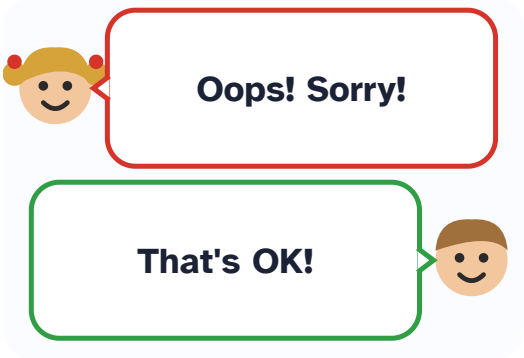

---

9. Sorry!

If we hurt someone by mistake, we say Sorry!

The other person can say **That's OK!**

Saying sorry makes friends happy again. It is a very important word in every language.

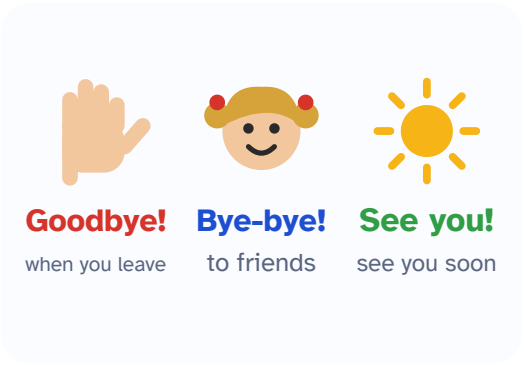

---

10. Goodbye! See you!

When we leave, we say Goodbye! or Bye-bye!

If we will see the person soon, we say **See you tomorrow!** or **See you later!**

Wave your hand. Bye-bye!

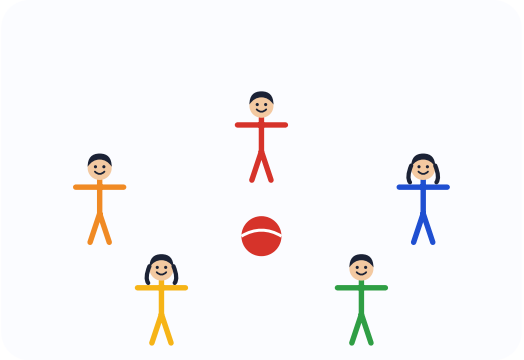

11. Game: the name ball

Stand in a circle. Throw a soft ball to a friend.

Say: **Hello! What's your name?** Your friend catches it and says: **My name is...**

Then your friend throws the ball. Play until everybody says their name!

12. Review: I can say hello!

Now you can say hello and goodbye.
