Explicación

1. My school bag

This is my school bag. It is red and blue.

In my bag I have a **book**, a **notebook** and a **pencil case**.

Every day I take my bag to school. What colour is your school bag?

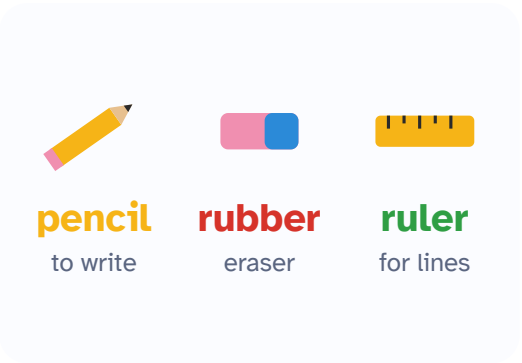

2. Pencil, rubber and ruler

In my pencil case I have a pencil, a rubber and a ruler.

I write with a **pencil**. I rub out mistakes with a **rubber**.

I draw straight lines with a **ruler**. In the USA, a rubber is called an **eraser**.

3. Crayons, scissors and glue

For art, we use crayons, scissors and glue.

I colour with **crayons**. I cut paper with **scissors**. I stick paper with **glue**.

Be careful with scissors! Always walk, never run.

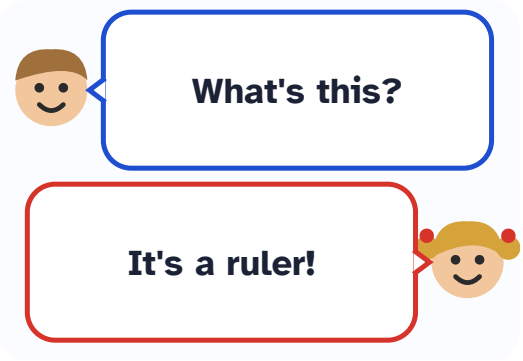

4. What's this?

To ask about a thing, we say: What's this?

We answer: **It's a pencil.** or **It's a book.**

Before a word that starts with a, e, i, o, u, we say **an**: **It's an eraser.**

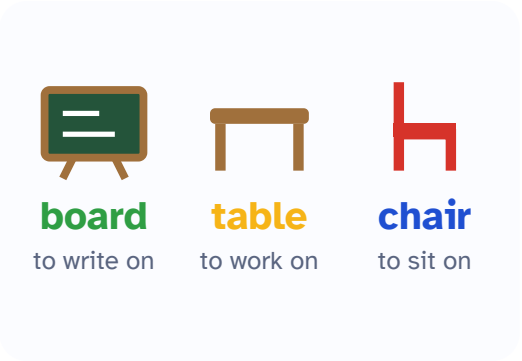

5. In my classroom

Look around your classroom.

There is a **board**, a **table** and a **chair** for every child. There is a **door** and a **window** too.

The teacher writes on the board. We sit on our chairs.

6. Classroom instructions

The teacher says instructions. Listen and do!

Stand up! Sit down! Listen! Look!

Open your book! Close your book! Be quiet, please! Play the game and move your body.

7. Can I have..., please?

To ask for something, we say: Can I have a pencil, please?

The answer is: **Here you are!**

Then we say: **Thank you!** Being polite is important at school.

8. How many pencils?

Let's count school things.

How many pencils? One, two, three. **Three pencils!**

Remember: with more than one, add **s**. One book, two book**s**. One crayon, five crayon**s**.

9. My school day

At school we do many things. We read, we write and we draw.

We **sing** songs and we **play** in the playground.

At ten o'clock the **bell** rings. It's time to play!

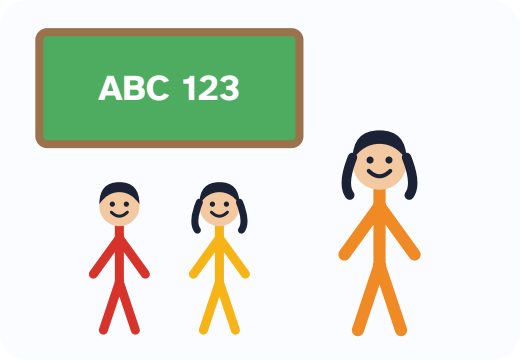

10. My teacher and my friends

At school there is a teacher and many friends.

We say: **This is my teacher. Her name is Ms Smith.**

And: **This is my friend. His name is Tom.** We help each other and share.

11. Game: Kim's game

Put five school things on the table. Look carefully.

Close your eyes. Your friend takes one thing away.

Open your eyes. **What's missing?** Say it in English: **The ruler!**

What's missing?

12. Review: my school things

Now you can name your school things: pencil, rubber, ruler, book, bag, crayons and scissors.

You know the classroom: board, table and chair.

You can ask **What's this?** and **Can I have..., please?** Well done!
