# Can for ability

Nombre: _____ Fecha: _____

## Qué vas a aprender

- Say what you can and can't do
- Use can with all persons, always the same
- Ask «Can you...?» and answer «Yes, I can / No, I can't»
- Talk about the abilities of animals and robots

## Para pensar

**Un pájaro vuela, pero no sabe leer. Tú sabes leer, pero no vuelas. ¿Qué palabra mágica del inglés sirve para decir lo que cada uno sabe hacer?**

## Explicación

### I can!

We use *can* to talk about **abilities**: things we are able to do. «I **can** run.» «I **can** sing.» «I **can** count to one hundred.» After *can*, we put the verb: **can + run**, **can + swim**.

**En castellano:** *can* significa «saber» o «poder»: «I can swim» = «sé nadar». Es uno de los verbos más útiles del inglés. Di en voz alta tres cosas que *can* hacer: «I can… I can… I can…!»

### Action verbs

We need *action verbs* to talk about abilities: **run** (correr), **jump** (saltar), **swim** (nadar), **fly** (volar), **climb** (trepar), **dance** (bailar), **sing** (cantar), **skip** (saltar a la comba), **ride a bike** (montar en bici), **play the piano**, **draw** (dibujar) and **cook** (cocinar).

Play **Action mime**: one child mimes a verb and the class guesses: «You can swim!». Moverte te ayuda a recordar las palabras.

## Can is the same for everybody

*Can* is very easy: it **never changes**. I can, you can, **he can**, **she can**, **it can**, we can, they can. We never add -s: «She **can** dance», not «she cans dance».

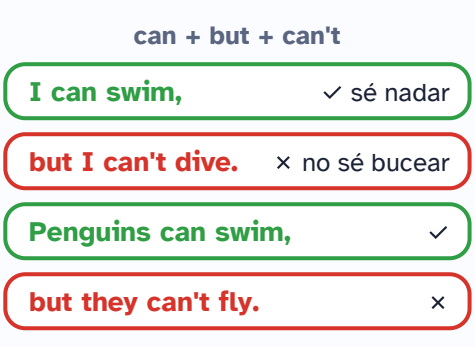

And the verb after *can* doesn't change either: «He can **swim**», not «he can swims» or «he can to swim». **Truco:** piensa que *can* es como un ayudante que siempre va igual vestido, con cualquier persona.

| person | can + verb |
|---|---|
| I / you | can swim |
| he / she | can swim |
| it | can swim |
| we / they | can swim |

## I can't

To say that we are **not** able to do something, we use can't (**cannot**): «I **can't** fly.» «My baby brother **can't** walk.» «Fish **can't** climb trees.»

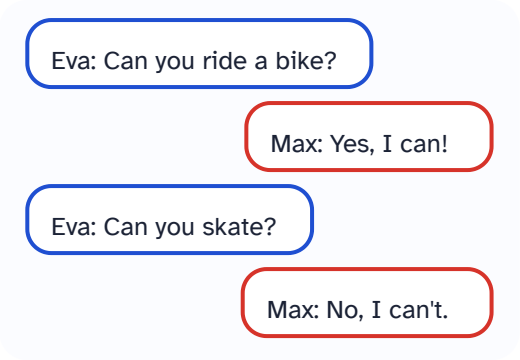

We can join two sentences with but (pero): «I can swim, **but** I can't dive.» «Penguins can swim, **but** they can't fly.» **Pronunciación:** escucha bien la **t** final: *can* (sí) y *can't* (no) suenan parecido.

## Can you...?

To ask about abilities, put Can first: «**Can you** ride a bike?», «**Can your dog** jump?», «**Can they** speak English?».

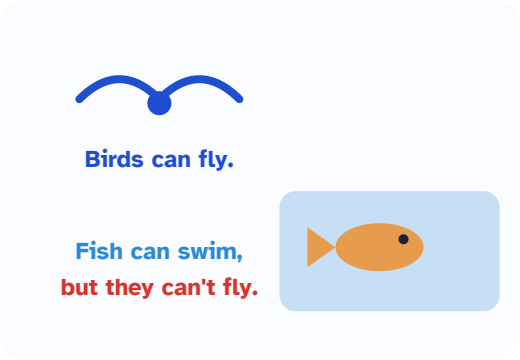

The short answers are: **Yes, I can.** / **No, I can't.**; **Yes, it can.** / **No, it can't. En castellano:** «¿Sabes montar en bici?» → «Can you ride a bike?». Solo cambias el orden: *can* va delante de la persona.

## Animals can...

Animals have got amazing abilities. «Birds **can** fly.» «Fish **can** swim.» «Monkeys **can** climb trees.» «Kangaroos **can** jump very high.» «Parrots **can** talk.» «Cheetahs **can** run very fast.»

But they can't do everything: «Elephants **can't** jump.» «Snakes **can't** walk.» «Penguins **can't** fly.» **Reto:** piensa en tu animal favorito y di una cosa que *can* y otra que *can't* hacer.

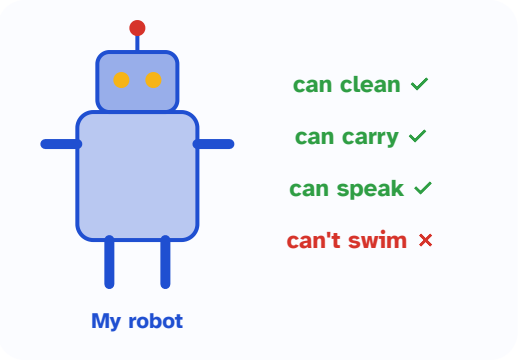

## Robots and superheroes

Let's imagine! A **robot** can do many things: «My robot **can** clean my room. It **can** carry heavy boxes. It **can** speak ten languages. But it **can't** swim: water is dangerous for robots!»

And a **superhero**? «Super Lola **can** fly and she **can** run faster than a car. She **can** see through walls. She **can't** cook!» Inventa tu propio robot o superhéroe y di tres

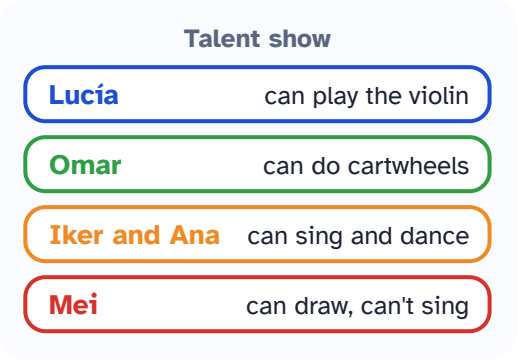

cosas que *can* y una que *can't*.

## Reading: the school talent show

Read the poster: «**Talent Show** on Friday! Come and see the stars of class 3A. **Lucía** can play the violin. **Omar** can do ten cartwheels (volteretas laterales). **Iker and Ana** can sing and dance. **Mei** can't sing, but she can draw a portrait in one minute! And our headteacher can juggle with three balls!»

Answer: What can Omar do? Can Mei sing? Who can play the violin?

## Let's practise: Find someone who can…

Play **Find someone who can…** Your card says: whistle (silbar), touch your toes, count to 20 in English, stand on one foot, say the alphabet. Walk around and ask: «**Can you whistle?**» If the answer is «**Yes, I can**», they show you and you write their name.

At the end, tell the class: «Pablo can whistle. Sara can stand on one foot. Nobody can say the alphabet backwards!» ¡Gana quien complete la tarjeta antes!

**Find someone who can...**

- **whistle** — Pablo
- **touch your toes** — Sara
- **count to 20** _____
- **stand on one foot** _____
