Qué vas a aprender

- Name sports and free-time activities
- Use play, go and do correctly with sports
- Talk about the days you do your hobbies: on Mondays, at the weekend
- Ask and answer «What do you do in your free time?»

Para pensar

En español decimos «jugar al fútbol», «ir a nadar» y «hacer kárate». ¿En inglés se usa siempre el mismo verbo?

Explicación

Sports

Sports are great for our body and to make friends. Here are some: **football** (fútbol), **basketball** (baloncesto), **tennis**, **volleyball**, **handball** (balonmano), **swimming** (natación), **cycling** (ciclismo), **skating** (patinaje), **gymnastics** (gimnasia) and **karate**.

Some sports are played in a team (equipo): football, basketball, volleyball. Others are **individual**: swimming, tennis, gymnastics. **En castellano:** muchos nombres de deportes vienen del inglés: *foot* (pie) + *ball* (pelota) = fútbol.

Play, go or do?

The verb depends on the sport. Play + sports with a **ball** or games: play football, play tennis, play basketball, play chess. Go + sports ending in **-ing**: go swimming, go cycling, go skating, go running. Do + martial arts and other activities: do karate, do judo, do gymnastics, do yoga.

Truco: si hay pelota, *play*; si acaba en -ing, *go*; y para lo demás, *do*. Nunca se dice «play swimming» ni «do football».

play	go	do
football	swimming	karate
tennis	cycling	judo
basketball	skating	yoga

Hobbies and free time

A hobby is something you do in your **free time** (tiempo libre) because you enjoy it. Popular hobbies: **reading** books, **drawing** and **painting**, **playing the guitar** or the piano, **dancing**, **singing**, **playing video games**, **cooking**, **collecting** stickers or stones and **taking photos**.

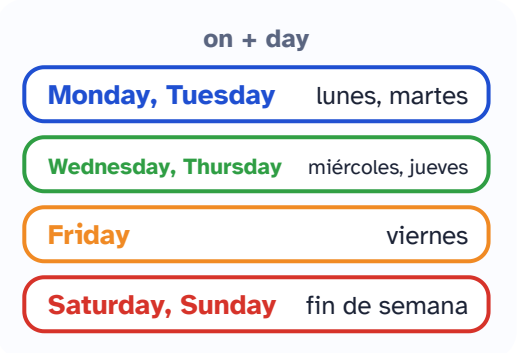

To talk about hobbies we often use *like* + -ing: «I like **reading** comics», «My sister loves **dancing**». ¿Cuál es tu *hobby* favorito?

Days of the week

To say **when** you do your hobbies, you need the days of the week: **Monday**, **Tuesday**, **Wednesday**, **Thursday**, **Friday**, **Saturday** and **Sunday**. Saturday and Sunday are the **weekend**.

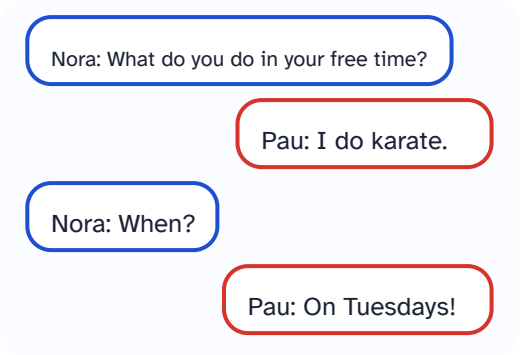

We use on with days: «I play basketball **on Mondays** and **on Wednesdays**.» And at with the weekend: «I go cycling **at the weekend**.» **Ojo:** en inglés los días se escriben siempre con **mayúscula**: Monday, no monday.

What do you do in your free time?

To ask about hobbies, say: What do you do in your free time? Answer with **I** + activity: «I play the piano and I go swimming.» To ask about a sport: «**Do you play** tennis?» — «Yes, I do.» / «No, I don't.»

To ask about days: «**When** do you do karate?» — «On Tuesdays and Thursdays.» **En castellano:** en español ponemos «los martes»; en inglés es *on* + día con **-s**: «on Tuesdays».

Sports places and things

Each sport has got its **place** and its **equipment** (material). We play football on a **pitch** (campo), tennis on a **court** (pista) and we swim in a **swimming pool** (piscina). We go skating in an **ice rink** (pista de hielo) and do gymnastics in a **gym**.

Equipment: a **ball**, a **racket** (raqueta), a **bike**, a **helmet** (casco), **trainers** (zapatillas de deporte), **goggles** (gafas de natación) and a **net** (red). «For tennis you need a racket and a ball.»

sport	place	you need
football	pitch	ball
tennis	court	racket
swimming	pool	goggles
cycling	road	helmet

Teamwork and fair play

When we do sport we must respect the rules and the other players. That is fair play (juego limpio). Useful phrases: **Well done!** (¡bien hecho!), **Good game!** (¡buen partido!), **Pass the ball!** (¡pasa la pelota!), **My turn!** (¡me toca!), **Your turn!** and **Let's play together!**

Win or lose, shake hands at the end and say «Good game!». A good player helps the team: **We win together, we lose together**. Ganar es bonito, pero divertirse y respetar es lo más importante.

Reading: Jake's week

Read Jake's **timetable** of activities: «I love sport! On **Mondays** I play basketball with my school team. On **Wednesdays** I go swimming at the sports centre. On **Fridays** I do judo. At the weekend I go cycling with my mum. I don't play football, but I watch it on TV with my grandpa. I've also got a quiet hobby: I collect stamps from other countries!»

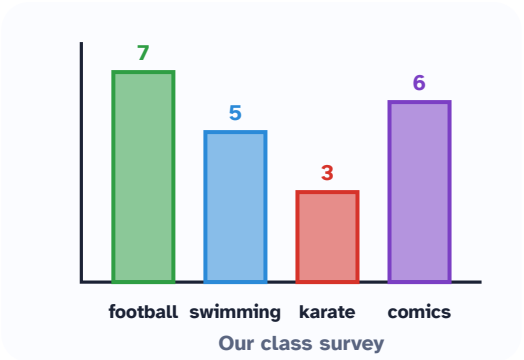

Answer: When does Jake go swimming? Does he play football? What does he collect?

day	activity
Monday	play basketball
Wednesday	go swimming
Friday	do judo
weekend	go cycling

Let's practise: a class survey

Make a **survey**. Write five activities in a table: play football, go swimming, do karate, play the piano, read comics. Ask ten classmates: «**Do you play football?**» «**Do you go swimming?**» Tick the answers.

Then make a **bar chart** and say the results: «Seven children play football. Three children do karate. Nobody plays the piano!» ¿Cuál es la actividad más popular de tu clase?
